Concrete deliveries are subject to the uniform commercial code 2-615, "delay in delivery or non-delivery in whole or part by a seller is not a breach of his duty under a contract for sale if performance as agreed has been made impracticable by the occurrence of a contingency the non occurrence of which was a basic assumption on which the contract was made." Seller is not responsible for any costs incurred by buyer due to delays. Mixes quoted below, unless otherwise stated, conform to no specific water cement ratio, minimum sack content, shrinkage, temperature requirement, single source of cement and aggregates, or the plans and specifications of this project.

AB 219 COMPLIANCE: ALL PUBLIC WORKS PROJECTS AND PROJECTS UTILIZING PUBLIC FUNDS WILL REQUIRE A FULLY EXECUTED SUBCONTRACTOR AGREEMENT WITH CEMEX AND A COMPLETED PROJECT INFORMATION SHEET CONTAINING THE DIR PROJECT ID NUMBER PRIOR TO ISSUANCE OF MIX DESIGNS AND CONCRETE DELIVERY.

\$300 PER LOAD WILL BE CHARGED FOR ALL PROJECTS REQUIRING AB 219 COMPLIANCE AND RM DRIVER CERTIFIED PREVAILING WAGE PAYROLL .

All quoted prices expire ons 11/15/2018

Charges and Fees

The ready mix company reserves the right to add surcharges to cover unforeseen circumstances such as spikes in the cost of fuel. Sales taxes are not included in above listed prices. Saturday delivery or after normal delivery hours on weekdays is an additional \$5.00 per yard. Following delivery of two full loads of 9 yards or more per mix design per day, one partial or clean up load may be ordered with no minimum load charge. Primer loads for pumps are subject to a minimum load charge. Standing time exceeding 4 minutes per yard will be charged at the current per minute rate. Customer shall provide and assume responsibility for a safe area or container for wash of mixer chutes. This proposal shall remain in effect for a period of 30 days. If not accepted in writing within 30 days, this proposal shall lapse and shall have no further force or effect. Additional mix designs containing differing amounts of cement, admixtures, or materials will be priced accordingly. Cancellation Fees of \$5 per yard will be assessed on all confirmed orders cancelled within 24 hours of the scheduled delivery time. Cancellations for deliveries scheduled outside of our normal business hours, 6am to 3pm, are subject to a \$2,500 charge plus four hours of truck/driver time when cancelled within 24 hours of the scheduled delivery time. Returned Concrete: All ready mix concrete loads returned to the batch plant with 4 or more yards will be charged \$150 per load.

Prices quoted are net. Payment is due and payable on or before 20th day of month following invoice month. A service charge not to exceed maximum allowed by law applies on unpaid invoice amounts beginning 1st day of month following due date and daily thereafter until paid in full. Should litigation be commenced to enforce payment, the prevailing party is entitled to reimbursement of reasonable attorney fees and court costs.

This proposal is hereby accepted and the undersigned agrees to purchase all materials subject to the prices, terms, and conditions stated herein.

DID YOU KNOW..
CEMEX HAS ENGINEERS WHO CAN PARTNER
WITH YOU TO GROW YOUR BUSINESS?

CONVENTIONAL CONCRETE
ROLLER COMPACTED CONCRETE

CEMENT STABILIZATION
PERVIOUS CONCRETE

PROJECT SCOPE

- Parking Lots
- Warehouses and Distribution Facilities
- Local and Residential Streets
- Intermodal Facilities

SERVICES

- Collaborate with Project Engineers
- Optimize Concrete Pavement Design
- Concrete Maintenance Estimation
- Education Workshops

BENEFITS OF CONCRETE PAVING

- Durable
- Sustainable
- Safe
- Lower Maintenance
- Reflective Surface
- LEED Credits
- Premium Aesthetic
